**COMMODITY FUTURES TRADING COMMISSION****17 CFR Parts 1 and 5****Revised Procedures for Commission Review and Approval of Applications for Contract Market Designation and of Exchange Rules Relating to Contracts Terms and Conditions****AGENCY:** Commodity Futures Trading Commission.**ACTION:** Proposed rulemaking.

**SUMMARY:** On November 22, 1996, the Commodity Futures Trading Commission (Commission) published in the Federal Register a proposal to amend its procedures relating to its review and approval of applications for contract market designation and proposed exchange rules relating to contract terms and conditions (61 FR 59386). The comment period ends on December 23, 1996. These fast-track review procedures are intended further to streamline Commission review of applications for contract market designation and proposed exchange rule amendments relating to contract terms and conditions. The Commission has determined, in this instance, to extend the comment period.

**DATES:** Comments must be received on or before January 16, 1997.**ADDRESSES:** Comments should be mailed to the Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, N.W., Washington, DC 20581, attention: Office of the Secretariat; transmitted by facsimile at (202) 418-5521; or transmitted electronically at [secretary@cftc.gov]. Reference should be made to "Fast-track Designation and Rule Approval Procedures."**FOR FURTHER INFORMATION CONTACT:** Paul M. Architzel, Chief Counsel, Division of Economic Analysis, Commodity Futures Trading Commission, Three Lafayette Centre, 1155 21st Street, N.W., Washington, DC 20581, (202) 418-5260, or electronically, [PArchitzel@cftc.gov].**SUPPLEMENTARY INFORMATION:** The New York Mercantile Exchange (NYMEX) has

filed a petition requesting an extension of time to submit comments on the Commission's proposed rulemaking concerning approval of applications for contract market designation and of exchange rules relating to contract terms and conditions. The Exchange requests an extension until January 16, 1997—the date that comments are to be received on the proposed rulemaking concerning the related topic of contract market review procedures for other rules (61 FR 66241, December 17, 1996). The NYMEX stated that it has spoken to representatives from the Chicago Mercantile Exchange and the Chicago Board of Trade concerning this request for an extension and that those exchanges agreed to join this request.

The Exchange stated that, since the proposed rulemakings concern similar and related issues, the issues should be considered and evaluated together and can best be addressed in one comment letter. Accordingly, the NYMEX concluded that a short delay will result in a more efficient rulemaking process.

For the reasons noted above, the Commission has determined to extend the public comment period for the subject rulemaking. The Commission believes that an extension of the comment period until January 16, 1997, would permit the NYMEX and any other interested parties fully to evaluate the proposed rulemaking and to submit their comments thereon to the Commission. The Commission cautions that the deadline for comments on the subject proposed rulemaking is independent of the deadline for comments on the proposed rulemaking concerning contract market review procedures for other rules. Any request for and Commission action on an extension of the comment period for the latter proposed rulemaking will not affect the deadline for comments on the subject proposed rulemaking.

Issued in Washington, DC on December 20, 1996.

Jean A. Webb,

*Secretary of the Commission.*
